WORK EXPERIENCE (by date)

Berklee College of Music
March 2018
Art Director, Animator
In charge of designing, storyboarding, and animating a 2 minute marketing piece for the Berklee College of Music's Online school and their new graduate's degree program.

Patreon
January 2018 - Present
Animation Tutorials
Students are given tutorials for new and innovating ways on approaching animation. I've been teaching a multitude of animation techniques in Adobe Photoshop, After Effects, traditional and experimental animation.

CHEFSFEED
October 2017
Art Director, Animator
"Worst Shift Ever" documentary on Preeti Mistry, restaurant owner of JUHU.
I was in charge of creating a 2 min 30 sec video based on an audio recording of Preeti Mistry. From there I was given free reign on concept design and boarding, and the documentary was published on CHESFEED's official website.

DOTE
December 2017
Animator
Personal animation work was bought and screened for DOTE- a pet product design company based in London.

New Balance
August 2017
Art Director, Animator
I was in charge of art directing, boarding, and animating a speculative project for New Balance with the Boston-based animation studio, Fablevision.

Facebook
March 2017
Character Animator
I was in charge of animating a Facebook ad at Hornet Inc. Worked closely with a team of animators and was able to successfully complete the project earlier than the expected deadline.

Music Video (unreleased, NDA)
February 2017
Animator
Worked as one of Caleb's animators for a commissioned music video.

WORK EXPERIENCE (Cont'd)

INU INU

May 2015 - Present

Animator, Designer, Illustrator

I create various graphics and animations for INU INU, an online fashion boutique curated for young teens and adults. I was given the responsibility of designing their logos, illustrating new t-shirt designs, and creating a cast of loveable mascot characters as well as various pieces of social media content.

Global Tinker

August 2016 - December 2016

Art Director

Awards:

2018 winner for Best Web Series on Kidscreen

2017 winner for Palm Springs International Animation Festival

2017 winner for miptv Global Kids Digital Shorts

Directed and designed a series of short cartoons for an education cartoon, Papergirls. "The Paper Girls aims to empower girls to play, imagine, make, and learn through the exploration of the arts, science, computer programming, and engineering."

TocaBoca

January 2016 - April 2016

Art Director

Animated and directed a short web series called Messie for NY based studio Toca TV. "Toca Boca, the no. 1 mobile first kids brand on the App Store, launches its much anticipated video streaming service for kids: Toca TV — marking the company's first move into kids' video. Toca TV, the new subscription-based streaming service, offers kids a carefully curated library of content selected specifically for kids ages 5-9."

Make-A-Wish Project

January 2015 - November 2015

Storyboard Artist, Animator

Storyboarded and animated a short film created by a young cancer patient, Neshama Ryman.

"Through the Make-A-Wish Metro New York and Western New York chapter, FableVision connected with Neshama to make her wish of directing her own animated film a reality. At 10 years old, Neshama Ryman wrote and directed an animated short that brings her favorite imaginary character, the Klumz, to life."

Screenings:

Toronto International Film Festival

Bay Area International Children's Film Festival

BioBlitz: Discovering Nature's Neighborhood

December 2014 - March 2015

Animator, Storyboard Artist

Animated for a documentary on preserving and experiencing Rhode Island's animals and natural habitats.

"Among the forests, swamps, tidal wetlands, and ocean waves of Narragansett, Rhode Island, more than 200 adult volunteers, school children, working scientists, and avocational naturalists scramble in early June to tally as many species as possible in one 24-hour period within a designated parcel of land. The event is called BioBlitz. Hosted by the Rhode Island Natural History Survey annually since 2000 in various sites around Rhode Island, BioBlitz: Discovering Nature's Neighborhood was filmed by the Coastal Institute at University of Rhode Island."

Boom! Studios

January 2014 - July 2014

Illustrator

Illustrated covers for THE AMAZING WORLD OF GUMBALL and REGULAR SHOW.

WORK EXPERIENCE (Cont'd)
